

JOB ANNOUNCEMENT – HIGH SCHOOL PRINCIPAL

OUR MISSION

St. Elizabeth Ann Seton Catholic High School, grounded in Christian values and the Catholic tradition, inspires learning and moral development that empowers its students to thrive in a college preparatory environment.

OUR VISION

Seton Catholic is a learning community that instills in our students a desire to learn, serve, grow and thrive spiritually, intellectually, socially, emotionally and physically in a community that welcomes students of all faiths and backgrounds.

St. Elizabeth Ann Seton Catholic High School, commonly known as Seton Catholic, is seeking a new Principal to join our incredible faculty, staff and students at our brand new 12+ acre campus in Vancouver, Washington. This is a unique and special opportunity for an experienced educator with a deep spirituality and grounding in our Catholic faith and values who models their faith and the leadership behaviors and characteristics that are so important to Seton Catholic and who has a desire to continue to help build Seton Catholic into the future.

Successful candidates will:

- Be a practicing Catholic who models humility and the Catholic faith and values while at the same time connecting with and nurturing the spirituality of faculty, staff and students from diverse faith traditions
- Have a minimum of 3-5 years of experience (5+ years of experience preferred) as a Principal and administrator, in addition to classroom teaching experience, with a strong preference for those who have experience within Catholic education
- Hold a Washington State Administrative Certification or be working on securing one
- Have demonstrated a commitment to always doing what's best for kids, being visible in the classroom and welcoming to all
- Have a broad and diverse background inclusive of elementary / high school, public / private, large and small school perspective
- Demonstrate a passion for diversity, have experience in a school with a diverse student body and faculty and staff and a demonstrated track record of working with and understanding unique student needs
- Have an appreciation for different teaching styles and an ability to relate to and advocate for teachers, understands their perspective and is especially able to support new faculty
- Show a strong desire to be a visible presence in the building and a track record of positive student, parent, faculty and staff relationships
- Have demonstrated strong support of extra curricular / sports / leadership activities as an essential part of the whole student experience
- Demonstrate strong communication skills and experience communicating positively across various audiences in an engaging manner that helps build strong relationships within the community
- Support a fair and equitable culture within the school environment, be an advocate for student accountability and have demonstrated a consistent, strong, yet respectful approach to discipline
- Show a sense of creativity and entrepreneurial spirit and is able to think outside the box – advocate for admissions and has the ability to help attract students and families
- Have a history of celebrating high achievement and holding high expectations for behavior and service
